

SPEAKER

Rochelle Ludick

Rochelle Ludick plays a major role at Pikitup in the transformation of Pikitup operations. Her specific emphasis is on the Pikitup depots, to become a high performing organization. She has considerable Waste Management experience working at strategic, executive and managerial levels. She provides strategic, technical and Operational management support to the Pikitup Management team.

TOPIC

Jozie @ Work – Keep our planet clean

SYNOPSIS

Pikitup is implementing a number of new approaches and measures for combating illegal dumping and littering and providing easy-to-implement recycling initiatives. This is a key priority for the City of Johannesburg: “A World Class African City”. Joburg’s transformation into a world-class City begins with presenting a clean and hygienic environment to all city residents and visitors. Pikitup has a crucial role to play.

With this focus in mind; realistic and practical ideas and suggestions will be presented for businesses to put into practice.

PROFILE

Rochelle is a waste management generalist with a flair for business. She had been given the opportunity to be part of Pikitup’s Operational team to assist all staff, public and stakeholders in helping Pikitup. Rochelle has excellent interpersonal and training skills, strong leadership and negotiating abilities and the credibility to be accepted by all stakeholders. With her high energy levels, drive and the passion for service delivery, together with strong customer orientation and good team leadership skills she is an asset to Pikitup.
